

# CALOOSA CHRONICLES

## 2007 Florida Senior Games State

The 2007 Florida Senior Games State Championships returning to Lee County and the City of Cape Coral,  
**December 1-9.**

The organizers are very appreciative of all the Caloosa Riders Club support during the Cycling events last year and we would be grateful for your support once again. The location for each of the events is the same this year. The cycling dates are:

Tuesday, December 4 for the 5K/10K at Wilmington Parkway and

Thursday, December 6 for the 20K/40K at Gator Circle.

Call Chris Wells or Bill Garrison to sign up to volunteer. We need all the help we can muster!!

## Annual Membership Drive

The Caloosa Riders Bicycle Club is dependent on its members to keep the club moving forward in support of safe bicycling. We need your financial support through your annual membership dues to get out the newsletter, to paint the numerous routes a couple of times a year and to support safe bicycling throughout the area. We also need your volunteer time and talents support to prepare for events, run events, organize new and exciting rides and represent the club at various civic events.

After you send in your Membership Application for 2008....Ask a friend or two to join the Club!

## 2008 Officer Nominations

If you read the piece above....you need only act now to support the Club.

Contact one of the officers with your personal decision!
